# Clubs/Activities: Our Way

*Who* says you can't have fun in high school? Trojans work hard in the classroom, as well as, outside of the classroom. We put our best foot forward excelling in the many PCHS clubs and activities. It is here we learn many of the characteristics that will propel us in life.

**Once a year** *Homecoming* only comes once a year. This year wasn't the usual Homecoming. The students here at PCHS experienced a Homecoming like no other. Along with our unique spectrum of Spirit days we held our Annual Powder Puff football game and hosted a bonfire....the Trojan spirit was alive and well!

# Girls Can't What?

*Girls* can't What? That's right...play football! The Senior and Junior girls sought to prove the doubters wrong with a competive game of flag football. Senior and Junior guys cheered on their respective teams as the young ladies laid everything on the line with a day of fierce play. The Senior girls took a 14-7 lead at the half, but the Juniors were determined as they fought back for a game ending 14-14 tie. The Senior and Junior class participated in every realm of the event: players, cheerleaders, referees and press box. The student body purchased tickets to see a thrilling event and the classes of 2010 and 2011 certainly did not disappoint!

# PCHS Homecoming 2009

Homecoming 2009 was nothing short of magical as the Homecoming Court took the field for the half-time festivities. The nerves were settled for the finalists in each classification; however, the nerves were in full force for the King and Queen candidates as they soon learned their fate. Hunter Smith and Jessica Perez were both crowned as Homecoming King and Queen respectively. The deserving twosome was able to relax and enjoy the remainder of the game as their Peach County Trojan football team took down the Perry Panthers. It was a game and night to be remembered, which made the theme all the more fitting...."Night of the Trojan".

Jessica Perez gleams with joy as she is crowned tas he PCHS 2009 Homecoming Queen.

Hunter Smith enjoys his moment as he is crowned as the PCHS 2009 Homecoming King.

# Faculty

and his Administrative Team

***Principal's Message:***

*The only direction I see for Peach County High School to go is to the top. This year with the economy in a downward spiral we have made several changes; each of these changes has been embraced and supported by the students, faculty, staff, and community. When faced with budget cuts, we could have folded and given in to the pressures of the financial community, instead we stood strong and faced the challenges as only the Mighty Trojans do.*

*Our students have a safe place where they want to come and learn. Individually they are more productive and more motivated and collectively, we continue to be a strong, productive school in the face of adversity. We are undeniably the best school in the state where students can receive a quality education....we are Peach County High School, home of the Mighty Trojans.*

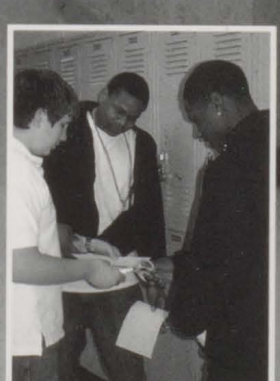
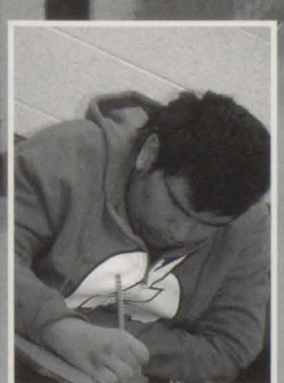
# TROJAN ACADEMY

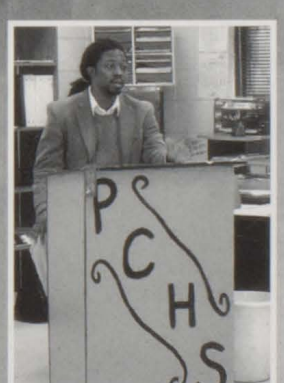


# TROJAN ACADEMY

The Trojan journey begins here...we are on a path of discovery. We will find friends, knowledge, and most of all opportunity as we journey into the unknown. Our book is not yet written, our story is not yet told, but our ending is one of little mystery. Success is on our horizon, just like those before us, as we mark the path of those behind us...we will succeed. We accept nothing less, we are Trojans.

Finding our way...





# Faculty

Principal, Dr. Quinton Green and his Administrative Staff

**Principal's Message:**

*Through a glass dimly, Then, face to face...*

*New hopes, dreams, challenges, disappointments, discussions, activities, actions, perceptions, assumptions, etc. This is the life of the middle school student who has finally reached the point where they consider themselves, "GROWN"! In a word of Dr. Green "NOT". Ninth grade is a time of excitement, but more than anything, it is the time for one to focus on the first day of the rest of his or her life.*

*The direction for the Ninth Grade Academy involves a holistic approach to the education of the wonderful students of Peach County. We will take advantage of all opportunities to help our students realize that the stones in the road on the way to success will be seen as stepping stones when they walk across the stage to receive their diploma or they walk out of an interview with the assurance that "this job is mine!"*

*Ninth grade students are notorious for living in the here and now without thought of better days ahead. Our direction will include every aspect of learning, in the classroom in social engagements and cultural experiences, in the community, in essence, the world.*

*Students in the 9th grade will receive quality instruction on a daily basis as teachers continue to utilize their expertise to develop a solid professional learning community. Students will become their chief advocate as they set high expectations for themselves and monitor their implementation plans to achieve high standards. Parents in our community will play a major role in helping students to become responsible, productive citizens. Our parents will take advantage of opportunities to support learning daily at the Trojan Academy. Parents will continue to learn about the changing trends in education and they will be given the tools to understand how to help students learn to think about their own learning. They will help students develop realistic, yet challenging goals for their future.*

*Ninth grade students often feel as if they are in a smoked filled bottle with little leverage to make decisions ors choices. As they look at the world in its present state, they may feel like their futures may be somewhat bleak and gray. As a result of their pilgrimage through the Trojan Academy, students who have sojourned there will bask in the sunshine as they look back on what they have gone through to what they have become...a success story.*

# Ashley Lynne Minyard

It was on January 5, 1991 that a baby girl came into this world to bless the lives of two people in ways they never could have expected. A beautiful blue eyed, blonde hair little girl named Ashley has danced many memories across the hearts of parents, siblings, grandparents, aunts, uncles and many friends. As you approach the end of one chapter in your life, Ashley, know that what you have written in our hearts has been more than we could prayed for in a daughter. You are a blessing in so many ways....we are so proud of the adult you have become and footprints you have left in our hearts to get where you are today. Your strong will, loving heart and devoted faith has helped you through some of life's hardest moments. Life as it will come will have its own hard moments; however, your faith in God has seen you this far, we have no doubt that He will see you through the rest of your life. Thank you for being such a blessing to us and to your brothers, Adam and Austin. We are so proud of you...so proud of who you have become...and we look forward to what *IS* to come....."You have done all things through Christ who has strengthened you"

We love our sweet Daughter
and Big Sister, ASHLEY!!!!
Dad, Mom,
Adam, and Austin

# Hunter Smith

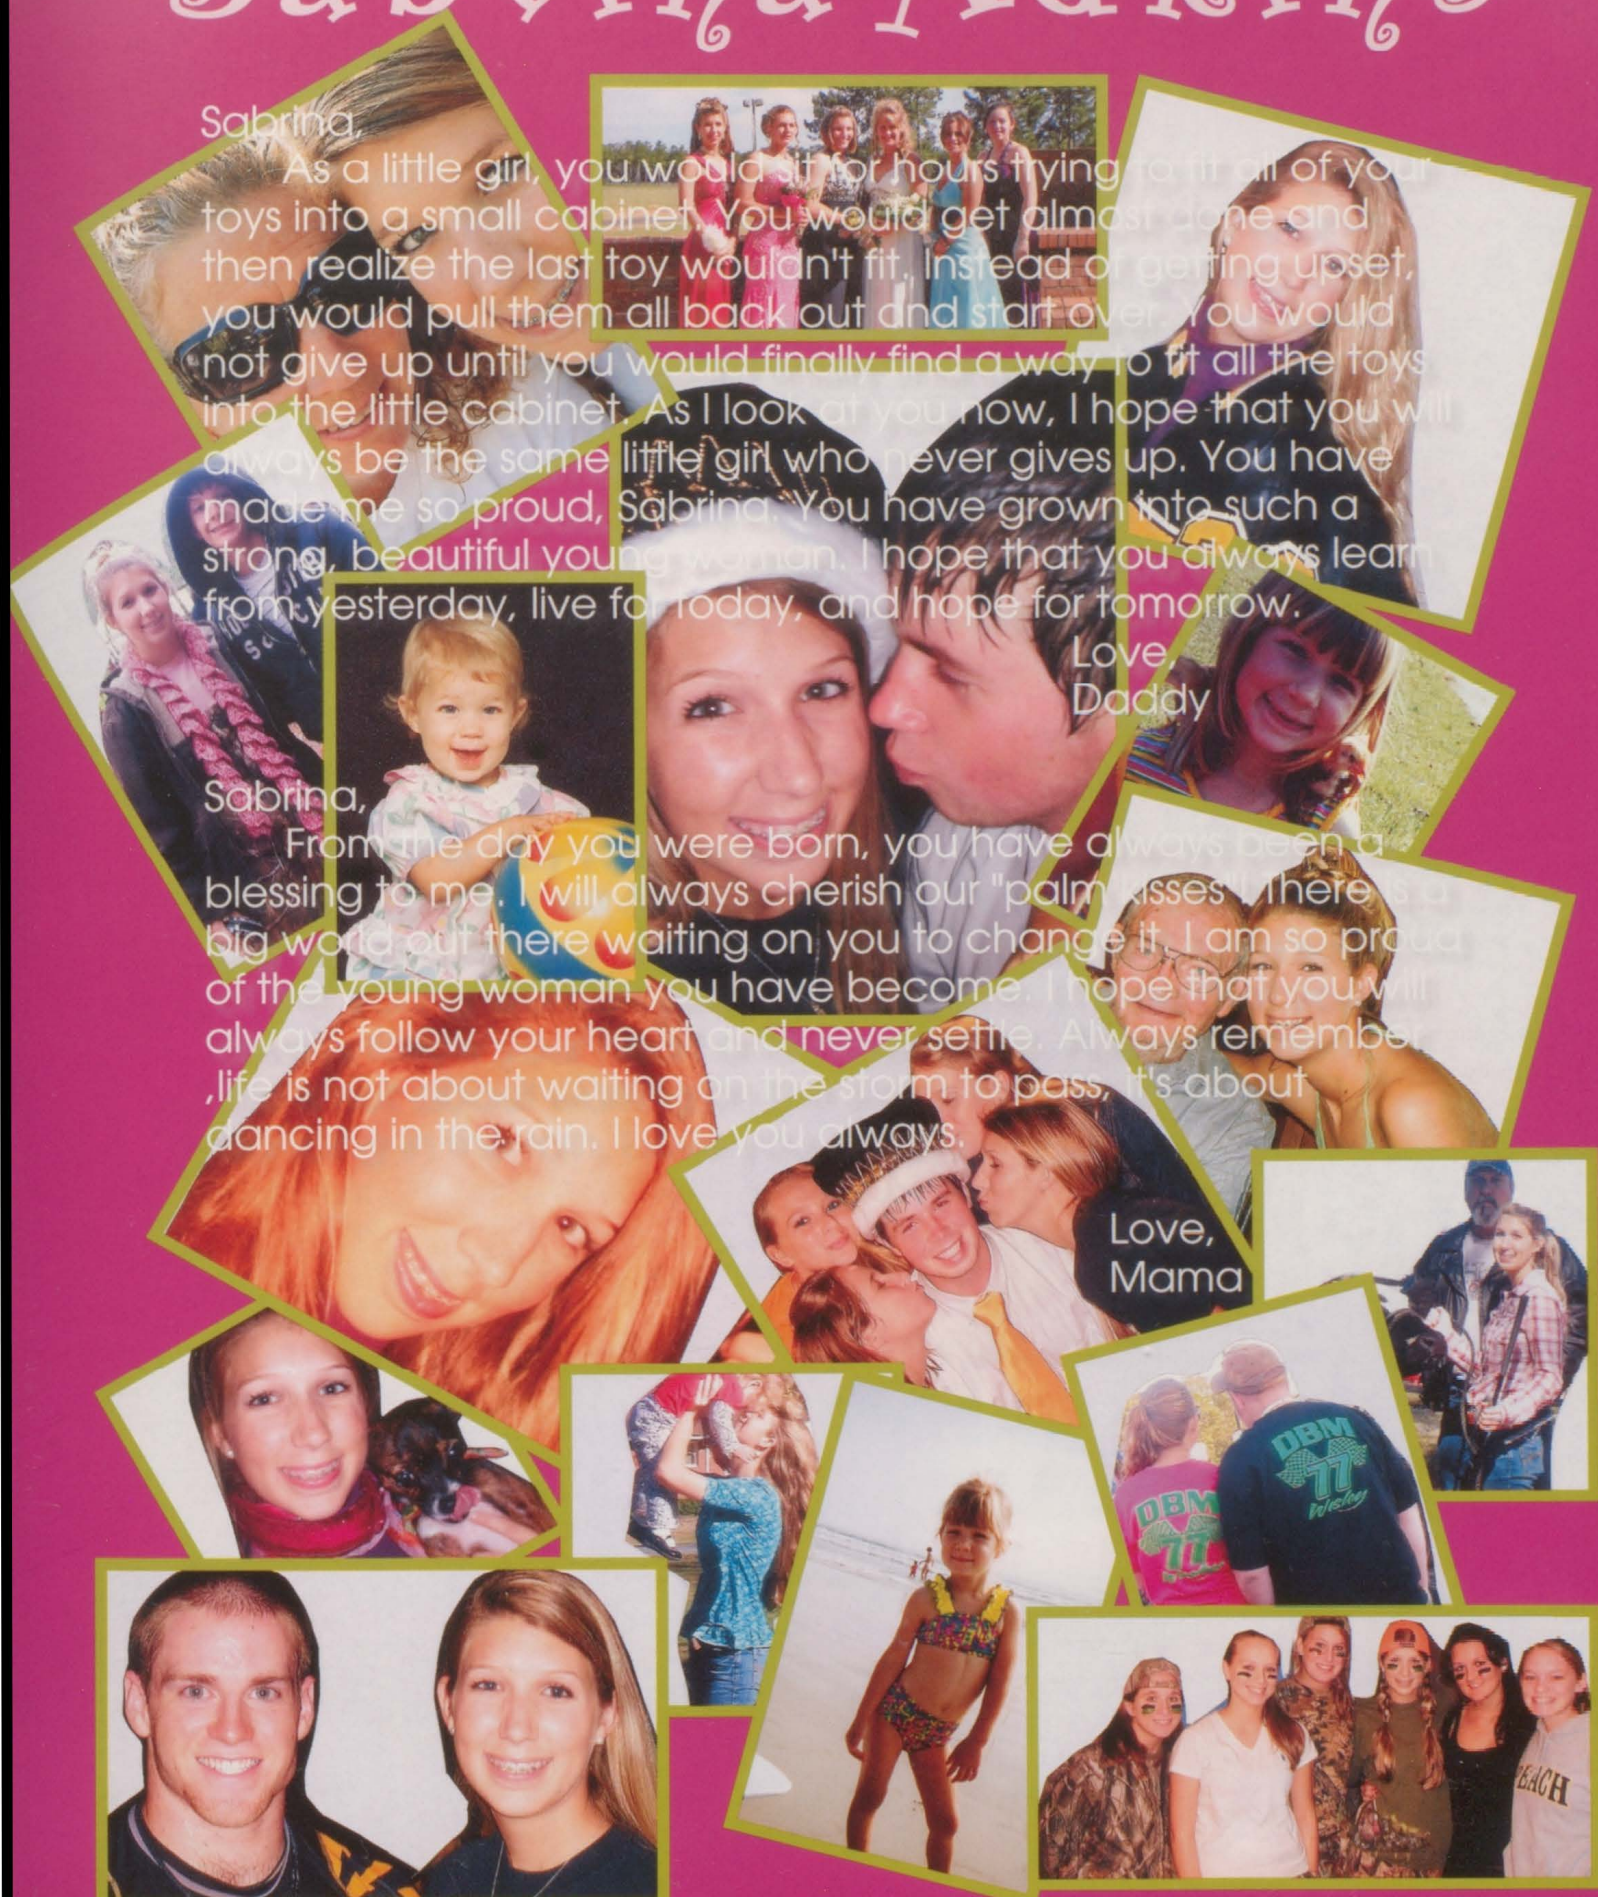
Our little PeeWee, Bubba and "The King'" has grown to be an awesome young man! As you enter the next stage of your life always remember where you came from and who loves you best. We are so proud of you, Hunter!

Love,
Dad, Mom, Nicolanne, Ballas and Candy

# Sabrina Adkins



Sabrina,

As a little girl, you would sit for hours trying to fit all of your toys into a small cabinet. You would get almost done and then realize the last toy wouldn't fit. Instead of getting upset, you would pull them all back out and start over. You would not give up until you would finally find a way to fit all the toys into the little cabinet. As I look at you now, I hope that you will always be the same little girl who never gives up. You have made me so proud, Sabrina. You have grown into such a strong, beautiful young woman. I hope that you always learn from yesterday, live for today, and hope for tomorrow.

Love,
Daddy

Sabrina,

From the day you were born, you have always been a blessing to me. I will always cherish our "palm kisses". There is a big world out there waiting on you to change it. I am so proud of the young woman you have become. I hope that you will always follow your heart and never settle. Always remember, life is not about waiting on the storm to pass, it's about dancing in the rain. I love you always.

Love,
Mama

# William Walker

We are so very proud of you... We love you so much. You are the "BEST"!

Love Always,
Mom, Dad, Libby, Karen, Granny, Margie & Rebecca

We have given you the roots so that now you can have the wings to fly wherever God leads you. Remember this verse as you go through life:

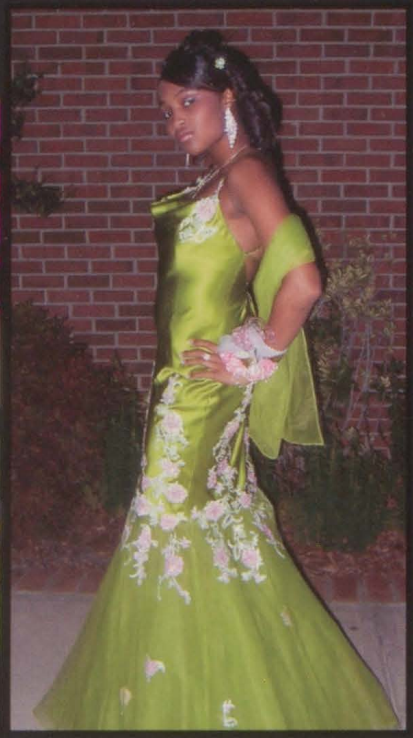
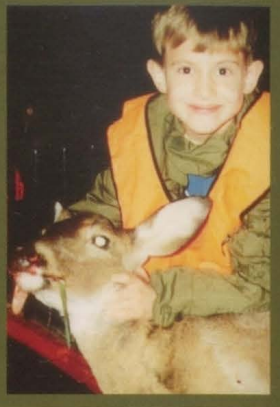
Mommy's "Love Joy"

It seems like it was yesterday that I held you in my arms and felt so much love and joy, but it was 17 years ago that you entered my world and now you have blossomed into this beautiful, intelligent, talented and fun loving person. Your positive attitude has allowed you to accomplish so much and that has made your family so proud...

... We pray that you continue to let your light shine and when you're faced with difficult challenges that will surely come in your life), remember ..

Phillippians 4:13 "I can do all things through Christ who strengthts me."





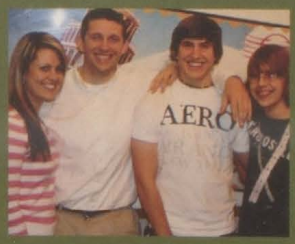
Chris,

Don't take this lightly when I say it has been MY pleasure to watch you grow, dream, and become the fine young man you are today. From "dit dit" to "jeep like my does!", you have been so much fun and so full of love. And with you, Chris, never did the "teenage" years seem like a temporary life sentence that so many parents describe. In a language you would understand: with a couple of inches short of a hole in one, you were close to perfect in my eyes:)
It's hard to believe you are almost finished with high school; how did that happen sooo quickly? With a sweet daughter of your own now, we know its time to venture out on your own, but remember you will never be truly alone. Your brothers and sisters love you and wish you so much success and happiness.
And don't forget... "you can never move away".

Just one more question..."Whose Boy?"

Love Always, Momma, Madison, DJ, Luke, and Lauryn

# CHRISTOPHER



Chris,

I can remember the day you were born like yesterday. You were a beautiful baby with deep red skin and puffy red lips. What a blessing you have been to your family and especially to me! It was God's plan for you to be my son. We have shared so many wonderful times together hunting, fishing, camping, golfing and playing ball. One day when Brielle gets older you will be able to share all the stories about the "00 Buck Hunting Club" and your buddies, Bob, Paul, Jerry, and big, bad Earl. Well, maybe not all the stories. I can remember how excited you were when you shot your first deer 10 years ago. I look back and I can't believe how small you were back then. I have watched you grow from that bouncing baby boy to a young man in 18 very short years. You have truly blessed my life and I am very proud of the man you have become.

I love you...Dad

...and Madison, DJ, Luke, Sherry, Lindsey and Cameron
